Dear Mr Davis

I am writing to thank you on behalf of the Victorian Government for your participation in, and contribution to, the Super Trade Mission to India in February.

As you know, this Mission was Australia's largest ever to India, comprising around 300 people representing a diverse range of industry sectors.

I speak on behalf of my Ministerial colleagues Louise Asher, Richard Dalla-Riva and Gordon Rich-Phillips as well in saying it was a privilege to promote Victoria's expertise and capability to expand investment and employment opportunities in Victoria and assist India in the next stage of its development.

I particularly enjoyed speaking personally with so many delegates about the potential opportunities between Victorian businesses and our Indian counterparts, and your participation in the Mission is very much appreciated.

A number of announcements were made during and following the Mission that will have immediate direct benefits for Victoria in terms of new market opportunities, jobs and investment.

We have already received a great deal of positive feedback and I look forward to hearing about your new collaborations and ventures in this important market.

The Victorian Department of Business and Innovation is now contacting all Mission participants to obtain your input and views so that Victoria's trade activities can be strengthened further.

To stay connected to future India-related initiatives, I encourage you to regularly visit www.trade.vic.gov.au or contact Gonul Serbest, Director – Trade Engagement, India on +61 3 9651 9178 or email to gonul.serbest@dbi.vic.gov.au

Once again, many thanks for your contribution to this historic Mission.

Regards

Ted Baillieu MLA
